The AEARU Winter Abroad Program 2016 will be comprised of courses provided by the Winter Abroad at Yonsei (WAY) and extracurricular activities hosted by the Office of International Affairs.

Yonsei University offers two separate 3-week program sessions at its main Sinchon campus in Seoul for international students who would like to enjoy the winter in Seoul.

Each session offers intensive morning coursework and unique afternoon Korean language and Taekwondo classes. During the weekends, students can enjoy Korean winter activities. It is an excellent opportunity for students to catch up on their academic studies, meet professors in an intimate setting, and enjoy the companionship of students from all over the world.
