## Amazon Web Services – Internship – Junior Sales Coordinator

아마존과 함께 클라우드 생태계를 만들어나갈 당신을 기다립니다!

AWS Korea 는 2012 년 정식으로 한국법인을 설립하고 한국유저들에게 우리말로 지원을 시작했습니다. IT 인프라의 미래는 클라우드에 있으며, 여전히 혁신은 가능하다고 믿는 젊은 영혼을 지닌 여러분들의 많은 지원 부탁드립니다. Let's **Work hard. Have fun. Make history.**

### AWS is AWSome.

Launched in 2006, Amazon Web Services (AWS) began exposing key infrastructure services to businesses in the form of web services -- now widely known as cloud computing. The ultimate benefit of cloud computing, and AWS, is the ability to leverage a new business model and turn capital infrastructure expenses into variable costs. Businesses no longer need to plan and procure servers and other IT resources weeks or months in advance. Using AWS, businesses can take advantage of Amazon's expertise and economies of scale to access resources when their business needs them, delivering results faster and at a lower cost. Today, Amazon Web Services provides a highly reliable, scalable, low-cost infrastructure platform in the cloud that powers hundreds of thousands of businesses in 190 countries around the world. With data center locations in the U.S., Europe, Singapore, and Japan, customers across all industries are taking advantage of our low cost, elastic, open and flexible, secure platform. For more details <http://aws.amazon.com/ko>
